

# Ukrainian Crisis Auction Art Donation Form

## To benefit Brethren Disaster Ministries, a Church of the Brethren ministry

In response to the crisis in Ukraine, it is our desire to help bring comfort and aid to the survivors of ongoing violence and instability. We have come together with our brothers and sisters in Christ to form this online auction for the purpose of raising money specifically for the "Ukrainian Crisis". With your support and the help of God, we will reach our goal. Thank you for your support.

The Online Auction will be held October 14-22, 2022, with online and in-person bidding on October 22 during the closing event. Please use a separate form for each donation. **Donations must be received by September 1, 2022.** The committee has the discretion to combine or separate your donation(s).
